What the Heck Is It ?

Worthington 2023

Doubletree Hilton Worthington
175 Hutchinson Ave, Columbus, OH 43235

Friday, December 8, 2023 10am to 6pm
Saturday, December 9, 2023 10am to 5pm

The *WSC Free F'rall* is a casual setting for local collectors, of any age, to show a "Frame" (16 pages) of your collecting passion with no competition, no judging, no awards, no green beans almondine, and no fees.

It is *Free* and *For All* regardless of your exhibiting experience.

The *Free F'rall* is a rolling exhibition over the two days of the show, so you can put your stuff up in your frame when you get there and take it down when you leave, either on Friday or Saturday, or on both days if you want. This replaces our usual competitive exhibition, and the Free F'rall will be limited to 36 Frames total for each day of the show.

There is no charge, it is free for the asking.

You choose what kind of "Participant" you want to be:

"Strut yer Stuff"

"Flash yer Stash"

"Dress yer Mess"

We will also have a hospitality event Friday Evening from 6pm to 8pm on the show floor. It will be free for you and your family as well as for our dealers and club members. A relaxed time for collectors of all things interesting to get together and swap fish that got away stories. Great food along with libations

Anything - what you strut only needs to be two dimensional ephemera related to communication, history or commerce. That means we like to see all kinds of things in addition to stamps, including postcards, billheads, advertising and trade cards, cinderellas, photographs, exposition souvenirs, travel memorabilia, valentines, you get the idea, pretty much anything cool like that is acceptable.

Anyway - your flash does not need to be a formal exhibit, but neatly mounted with some identification, explanation and history would be nice. If you want to try to do something involved you may, but there will be no judging and no awards and no competition. Innovation and humor are desired and gratefully appreciated.

Anyhow - Sports, Pokemon and other similar gaming and card gizmos respectfully declined. Entries trying to make social or political statements summarily declined. Sneak something in that pokes any bears and I'll personally hang a yellow tarp with a fallout shelter symbol over your frame. The Worthington Stamp Club reserves the right to decline any Frame Reservation Request for any reason whatsoever.

You may show your entry on Friday or Saturday or both. You may also leave your entry in the frames Friday night if you are returning on Saturday. Please be at the show to put your flash in your frame between 8am and 9am on the day you request. Scheduling a rolling exhibition is new to us, as well.

Participants may make more than one Frame Reservation Request, but they must be for different entries, preferably not too closely related, and not to create a larger multi-frame entry. A Frame Reservation Request must be submitted for each entry.
